

# Colloquium on Graduate Research in English Language Education

The Research and Development Bureau is responsible for the organization of the annual MELTA Colloquium on Graduate Research in English Language Education. This colloquium is an initiative by MELTA that supports the Ministry of Higher Education's vision for Malaysia to become a centre of excellence for higher education. Its main aim is bring together key figures in English Language Education from the various Institutions of Higher learning both locally and internationally to present their thoughts and views on significant areas of the discipline. It also provides graduate students with the opportunity to present their work in a conducive environment with fellow graduate students working in similar research areas and facing similar challenges. MELTA's well-established links with ELT organisations and experts serves to provide participants of the colloquium with access to valuable resources. The colloquium consists of panel presentations by experts in key subject areas of English Language Education, followed by parallel sessions of individual presentations by graduate students.
